Logix Federal Credit Union Donates \$60,000 to Local Charities

Gold Coast Veterans Foundation, The Ronald Reagan Presidential Foundation Receive Support

SIMI VALLEY, CALIF. (November 17, 2022) — Logix Federal Credit Union announced today the conclusion of its latest Paying with a Purpose: Salute to Veterans Campaign, having raised \$60,000 to benefit three local nonprofits.

From August 8 to November 8, each time a member used their Logix Mastercard® credit or debit card, Logix made a donation of two cents to support the Ronald Reagan Presidential Foundation and Institute in Simi Valley, Gold Coast Veterans in Camarillo and Homes 4 Families in Woodland Hills.

"Members embraced our Paying with a Purpose campaign; this year, we recognized our veterans," said Melia Keller, Vice President of Marketing and Community Relations at Logix. "Two cents adds up, and these dollars will be used to support veterans — our heroes who serve our country. Ensuring our military personnel are taken care of when they return home is important. These dollars went to commemorating veterans at the Reagan Library on November 11. And, Gold Coast Veterans Foundation and Homes 4 Families assist veterans with housing and other resources. Fortunately, our employees and members believe in giving back, especially to provide much-needed support and recognition."

Keller championed the effort, as she served in the U.S. Army Reserve from 2000 to 2008. She was acknowledged at the Veterans Commemoration on November 11 at the Reagan Library.

"Honoring our nation's veterans is something we take very seriously at the Reagan Library," said John Heubusch, Executive Director of the Ronald Reagan Presidential Foundation and Institute. "This substantial gift from Logix allowed us to honor the veterans from all branches of the military in a way befitting of their service to our nation. We are extremely grateful for their generosity."

On November 5, Gold Coast Veterans Foundation hosted a luncheon for volunteers and donors at their facility in Camarillo. Executive Director Bob Harris spoke at the event, and shared his gratitude for the contribution.

"This significant gift will help our Veterans Village," Harris said. "We reached out to our supporters and let them know about this campaign from Logix, and there was a positive response, with many of them sharing they are proud to be a part of a community that is collaborative. The credit union's dollars will go far to make a difference with this campus."

The credit union is celebrating its 85th anniversary, and continues its commitment to providing superior service to its members and support to the community.

About Gold Coast Veterans Foundation

Gold Coast Veterans Foundation is non-profit agency that has become the go-to resource for the 45,000 military veterans in Ventura County. Its programs are designed to reduce or eliminate suffering, lowered quality of life, re-integration difficulties, and negative lifetime outcomes of American military veterans. The vision is to create a comprehensive system of care that will disrupt and defeat the chain of events that leads to negative health and life outcomes for veterans. Staff uses direct intervention to address and resolve the root causes and underlying problems before lives are damaged or lost. All office employees are either a U.S. military veteran or an immediate family member of a veteran. Nine programs are dedicated to address a variety of needs, including housing, wellness, outreach, employment, benefits assistance, financial coaching and entrepreneurship.

The Ronald Reagan Presidential Foundation

The Ronald Reagan Presidential Foundation and Institute is the nonprofit organization created by President Reagan himself and specifically charged by him with continuing his legacy and sharing his principles – individual liberty, economic opportunity, global democracy and national pride. The Foundation is a non-partisan organization which sustains the Ronald Reagan Presidential Library and Museum in Simi Valley, California, the Reagan Center for Public Affairs, the Presidential Learning Center, The Air Force One Pavilion and the award-winning Discovery Center, as well as the Reagan Institute, which carries out the Foundation's work in Washington, D.C. The Reagan Library houses over 55 million pages of Gubernatorial, Presidential and personal papers and over 60,000 gifts and artifacts chronicling the lives of Ronald and Nancy Reagan. It now also serves as the final resting place of America's 40th President and his first lady. The library celebrates Veterans on November 11 with an event, Veterans Commemoration, to demonstrate appreciation and gratitude; U.S. active military personnel receive free admission to the library.
